Procedures

Tuition Fee Protection

Australian College of Management and Innovation complies with its obligations under the *Education Services for Overseas Students Act 2000 (ESOS Act)* by participating in the **Student Tuition Protection Scheme (TPS)**, managed by the Australian Government via the **Overseas Students Tuition Fund (OSTF)**.

The TPS is designed to protect the interests of international students on student visas in the event that a provider is unable to deliver the course in which the student is enrolled. In such cases:

- The TPS will offer the student a place in a **suitable alternative course** at no additional cost; or
- If a suitable course cannot be found or the student does not accept the offered course, the TPS will provide a **refund of the unused portion of prepaid tuition fees** paid to Australian College of Management and Innovation.

Importantly, students **do not need to submit a refund application** in the case of provider default. The TPS process is automatic.

Key Principles of TPS Fee Protection:

- Tuition fees are collected according to the agreed **Student Fee Payment Schedule**.
- Australian College of Management and Innovation contributes to the **TPS Levy** as a CRICOS-registered provider.
- In the event of provider default, the TPS will initiate placement or refund actions on behalf of the student.

2. Fee Protection for Domestic Students

In accordance with **Clause 18** of the *Compliance Standards 2025*, Australian College of Management and Innovation ensures that domestic students are also protected from financial loss:

- Australian College of Management and Innovation will **not collect more than \$1,500 in prepaid fees** per course per student unless approved fee protection measures are in place. (Refer II)

3. Access to Fee Information

To support transparency and informed decision-making, Australian College of Management and Innovation provides the following to all prospective and current students:

- A comprehensive **Student Agreement** outlining all tuition fees, materials fees, payment schedules, and refund conditions;
- A **Course Outline** summarising the applicable course fees;
- Information published on the **Australian College of Management and Innovation website**;
- Australian College of Management and Innovation lists all tuition fees payable by the student for the course (Refer Fee Schedule), and payment options (including, if permitted under the Australian College of Management and Innovation I RTO CODE: 45535 I CRICOS Code: 03800K

ESOS Act, that the student may choose to pay more than 50 per cent of their tuition fees before their course commences).

- Confirmation of fee details prior to enrolment or the collection of any fees, in line with **Standard 2.1** of the Outcome Standards and **Clause 5.3** of the former Standards.

Choice of Fee Protection Measures

As a non-government, non-university RTO, Australian College of Management and Innovation must implement one or more of the following protective arrangements:

(A) Bank Guarantee

- Australian College of Management and Innovation maintains an unconditional financial guarantee from a bank operating in Australia.
- The guarantee covers the total prepaid amount exceeding \$1,500 per individual, across all applicable students.
- The guarantee:
 - Is maintained at all times.
 - Is updated quarterly or when new prepayments are received.
 - Has no expiry unless replaced or updated.
 - Costs are borne by the ACMi and not passed to the student.

(B) Tuition Assurance Scheme

- As an alternative or additional measure, Australian College of Management and Innovation may maintain membership with an approved tuition assurance scheme operator.
- If services cannot be delivered, the scheme ensures:
 - Students are placed into an equivalent course at no additional cost, or
 - Refunds are issued for services not yet delivered (in excess of the threshold).
 - The scheme operator must be approved by the National VET Regulator (ASQA).

(C) Other Approved Measures

- Where applicable, ACMi may implement other protection measures approved in writing by ASQA.
- These must meet the intent of the legislation and be formally documented.

Documentation and Monitoring

- The Accounts Officer tracks all prepaid fee transactions through the Prepaid Fees Account.
- The Finance Manager/CEO reviews prepaid balances monthly from PRISMS Protected Fee Amount report and ensures maintenance of required Protected amount in the nominated bank account.
- Evidence of compliance (bank guarantees, scheme membership certificates) is kept in the Fee Protection Register.
- Australian College of Management and Innovation will ensure that its accounts will be certified, at least annually, by a qualified accountant who is a member of Certified Practising Accountants (CPA) Australia, or otherwise registered as an auditor of the Australian Securities and Investment Commission (ASIC), and on request, the report must be made available to the state or territory registering body that has registered the organisation.
- Below is Schedule 1 of the Email/ Notice issued to students towards fee payment during their enrolment at Australian College of Management and Innovation.

Failure to Provide Services

- If Australian College of Management and Innovation is unable to provide prepaid services:
 - The CEO must initiate one of the following actions within 5 working days:
 - Arrange for placement into an equivalent course at a suitable location and at no additional cost, or
 - Refund prepaid fees for undelivered services (exceeding \$1,500 per course).
- A record of the student outcome and corrective action is maintained in the Fee Protection Account.

Process for claiming a refund

- The specified person(s), other than the student, who can receive a refund in respect of the student identified in the written agreement.
- A plain English explanation of what happens in the event of a course not being delivered, including the role of the Tuition Assurance Scheme

- A statement that "This written agreement, and the right to make complaints and seek appeals of decisions and action under various processes, does not affect the rights of the student to take action under the Australian Consumer Law if the Australian Consumer Law applies".
- There is no requirement to set out the length of study periods or the tuition fees that apply to study periods in ongoing invoices and billing cycles. As there are no longer restrictions on the collection of further tuition fees after the student commences, as agreed initially on a payment plan with students setting out when any remaining fees are due to be paid once the student starts their course.

All course fees for fee-for-service students include an Enrolment Fee (or non-refundable deposit) which will only be refunded where Australian College of Management and Innovation is required to cancel a course before it commences due to insufficient numbers or for other unforeseen circumstances.

A student not achieving the qualification or unit/s in which they enrolled due to exhausting their attempts at assessment, does not entitle the student to a refund.

RPL application fees are non-refundable.

Students who withdraw from a course may seek a refund or a reduction in fees owing by making an application for a refund in writing using the Student Refund Application Form. The application must include the details and reason for the request. Students who have not completed a Student Withdrawal Application Form are not eligible for consideration of a refund or reduction in fees.

In the unlikely event that Australian College of Management and Innovation or any third parties responsible for delivering training and assessment on its behalf, is unable to deliver the course or any portion of the course as promised, the student will be issued with a refund for the course or portion of the course that was not provided. This includes the following situations:

- Where Australian College of Management and Innovation or any third parties delivering training and assessment on its behalf ceases to operate.
- Where Australian College of Management and Innovation ceases to deliver the course in which a student is enrolled, and the agreement is terminated.
- Where Australian College of Management and Innovation needs to make a change to the terms of the student agreement (such as the way the course is delivered or conditions of enrolment) and a new agreement cannot be reached with the student to account for changes.

In any of the above situations, Australian College of Management and Innovation will automatically conduct a refund assessment of all affected students and issue the refund to the Fee Payer accordingly. In these cases, there is no need for a student to make an individual application for a refund. Refunds will be issued within 28 business days.

The refund assessment will be based on reviewing the services and/or materials provided to the student and the costs incurred by Australian College of Management and Innovation in their provision such as:

- Textbooks or other materials provided.
- Training already provided (e.g., number of meetings/classes/visits etc.).
- Individual support is provided by the trainer/assessor.
- Assessments marked or feedback provided (including RPL).

The outcome of the refund assessment will be provided in writing to the student's registered address within 28 business days, outlining the decision and reasons for the decision along with any applicable refund or adjustment note. Refund decisions can be appealed by following Australian College of Management and Innovation Complaints and Appeals Policy and Procedures.

Recording and payment of refunds

General Refund Conditions

- The original fee payer (student or student's authorised personnel/employer) is the party eligible to receive any approved refund, as specified in the Student Agreement.
- All refund claims are managed in accordance with the terms set out in this policy and the Fee Schedule provided at the time of enrolment.
- A statement is included in the Student Agreement confirming:
- "This written agreement, and the right to make complaints and seek appeals of decisions and actions under various processes, does not affect the rights of the student to take action under the Australian Consumer Law where applicable."

Provider Default

- If Australian College of Management and Innovation, or any third-party delivering training and assessment on its behalf, is unable to deliver the agreed services, the following applies:
- Situations Covered:
- Australian College of Management and Innovation ceases operations or course delivery.
- A material change is made to the student agreement and no revised agreement can be reached.
- A course is cancelled due to insufficient enrolments or external disruptions.
- Process:
- Students will be automatically assessed for refund eligibility.
- Refunds are made without requiring an application form.
- Australian College of Management and Innovation will issue a refund for the unused portion of prepaid fees within 28 calendar days.

Refunds will be calculated based on:

- Unused tuition services
- Any materials/resources not yet provided
- Hours of training not yet delivered
- If the student was an international student:
- The Tuition Protection Service (TPS) may intervene to offer:
- A suitable alternative course at no additional cost; or
- A refund of unspent prepaid tuition fees, if no suitable alternative is available.
